

Recreation

Everyday you have recreation time. During this time you can swim, archery, arts & crafts, play sports or spend time with friends. You can also go to the trading post and be able to buy candy, drinks, water bottles, shirts, flip-flops, ect.

Nurse Louie

At camp there is a full time nurse and if you need anything she will always be there. She is often found in the dining hall distributing medications to keep our campers healthy.

Hard”**

Cabins

IAJHSC Leadership Camp could be the best week of your life. You make so many new friends throughout the experience. Camp helps you learn a lot about yourself and others; as well as learning about student council. You get especially close to the people in your cabin. They become like a family away from family. Each cabin has a unique theme.

Council Meeting

During your stay at camp you are put in one of twelve councils. In your council you get put into committees. The different committees are: Banquet, Carnival, Achievement Night, and Grounds Clean-up. You will also get the opportunity to go through job training and run for and office in your council.

Challenge Course

There are many, many fun activities that happen during the week. One of them is the challenge course. During this you learn to trust everyone in your council.

Dances

Two dances take place during the week of camp. The Hoe-Down and the Luau.
