

Fund Raising

Solving the "puzzle" of autism is a difficult, on-going job. That is why the puzzle piece is one of the symbols of the Autism Society. Pieces, that when put together, create a *Wall of Hope* for those with autism and their families.

If interested, the Autism Society of Illinois can provide you with puzzle pieces like the one outlined below. The pieces are already cutout and come in 4 different colors and shapes. You can use these pieces as part of your fund raiser to create a bulletin board, chain of pieces, or whatever you can think of. If you'd like these pieces to use as part of your school's fund raising, all you need to do is contact Mrs. Mary Kay Betz and tell her how many you need. She will send them to you. She may also have other ideas for fund raising if you're looking for new ideas.

You can reach Mrs. Beta by emailing her at betzm@autismillinois.org or calling toll free 888.691.1270.
