

IAJHSC State Service Project

Since 1982-83, the IAJHSC has chosen a worthy charity to support. Before the first IAJHSC Executive Board meeting in the fall, it is the responsibility of the District Representatives to research a charity to recommend to the Board for adoption as the state service project for the year. Each of the District Representatives presents his/her charity to the entire Board. Next the number of charities is narrowed to three. The entire IAJHSC Executive Board then votes for the one charity which will be the state service project. The list of charities that have been supported by the IAJHSC in the past is as follows:

1982-83	Ronald McDonald Houses	\$ 10,000
1983-84	Special Olympics	\$ 8,000
